Important Info:

- Once your club/assignor processes payments for your games, you will receive an **email notification** from GoPay letting you know that you have funds available in your GoPay account.
- For **Direct Deposit**, funds can be released to your bank account daily. There is no additional charge from Game Officials when using direct deposit as a pay method. It can take your bank 1-2 business days for your payment to show on your account statement.
- For **Check by Mail**, you will be able to click on a **Request Funds** button each time you would like Game Officials to mail you a check. There is a \$3.00 deduction from your total payment when mailing a check. All checks are mailed weekly as first class mail with the U.S. Postal Service.
