### 3. Signing up:

#### Enter in your user information, completing all required fields.

- All Learning Center profiles will require a unique primary email address. This email address will be used to communicate about Learning Center activity (course registration, payment confirmation, assignment updates, etc.). A secondary email can be provided to be copied on all communications associated with the primary account.
- Users must be 13 years of age or older to create a profile.
- The zip code associated with the account will help associate the user with the local state referee committee. This association will place the user on reports run by the SRC (ex: show me licensed referees in my area). Referees who register in a different state than their residential zip code will appear on both reports.
- Users who have certified in the past will be able to connect to their certification history and have it visible on their profile. The Learning Center will attempt to identify users based on first name, last name, date of birth and/or email address.
  - If this is not initially visible, please contact [referee@ussoccer.org](mailto:referee@ussoccer.org) before signing up for any classes

The screenshot shows the sign-up page for the U.S. Soccer Learning Center. The page has a dark blue header with the USA Soccer Learning Center logo on the left and navigation links for COURSES, HELP, SIGN UP, and LOG IN on the right. The main content area is white with a light blue border. It starts with a 'Sign up' heading and a message: 'You are just one step away from joining the U.S. Soccer Learning Center. Please fill in the form below to open your free account now. \* - required fields'. Below this is a 'Please note' section explaining that the information is for the referee, not a parent/guardian, and that there is a field for a secondary email address. The form itself consists of several fields: 'Your Email \*', 'Secondary Email' (with a help icon), 'Password \*' (with a note: 'Password must contain at least one capitalized character, one lower case character and one number'), 'Confirm Password \*', 'First Name \*', 'Last Name \*', 'Gender' (with radio buttons for Male, Female, and X, and a 'What's this?' link), 'Mailing Address', 'Apt / Unit / Suite', 'City \*', 'State \*' (dropdown), 'Zip \*' (with 'Zip code' text), 'Country \*' (dropdown with 'United States' selected), 'Birthday \*' (with a calendar icon), 'Ethnicity \*' (dropdown with 'Choose Ethnicity' text), and 'Phone \*'. At the bottom, there is a checkbox for 'I agree to the Terms of Use'.

#### 4. Editing profile information:

After signing up, you will be directed to your user profile. Users can:

- Edit their contact details (email, phone, address, profile picture, etc.)
  - o The user's name cannot be edited. Because the Learning Center pulls the profile name to the license templates, name change requests must be facilitated by U.S. Soccer. Users can file a help ticket with U.S. Soccer for such requests.
- Access .pdf copies of their current license and view a list of past certifications.
- Add other experiences related to being a referee to their profile. It should be noted that these experiences are entered by the user and are not verified or confirmed by U.S. Soccer.
